## What matters to you

We have listened to you and the concerns you raised and will prioritise the following in September 2023.

### **Priority 1: Anti-social behaviour (Tilton Road Park, criminal damage and general behaviour causing alarm)**

You said: Youth related issues concerning a group of youths involved in criminal activity around Burbage causing local concern.

What we are going to do: \*Targeted Patrols \* Working with partner agencies to implement outcomes which will reduce this activity. Overnight patrols and multiple stop checks completed.

### **Priority 2: Vehicle Crime (theft from vehicles and keyless car crime)**

You Said: Increase in theft from vans, multiple reports of car doors being checked and suspicious activity.

What we are going to do: Targeted work at key locations with residents and patrols, additional crime prevention support/events and engagement to support in reducing these incidents.

### **Priority 3: Residential Burglary (mainly reports of suspicious activity and breaks to empty properties)**

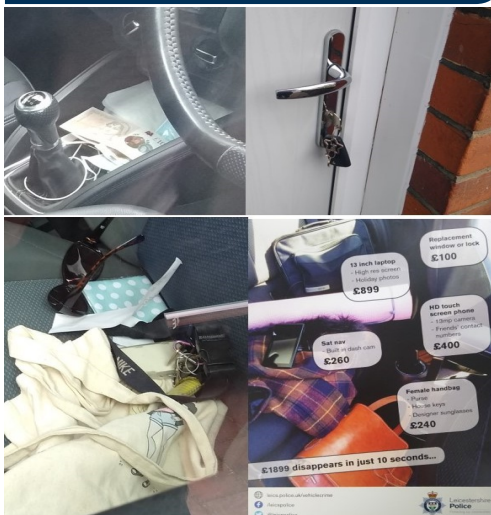

You Said: Concerns relating to home security before going on holiday and potential of burglary.

What we are going to do: Crime prevention support, working with residents to reduce opportunities, ongoing advice and crime reduction work including targeted visits, regular local updates, beat surgeries and planned events.

## What we are doing

- We have supported residents on an individual basis with crime prevention items, visits and general support where requested. This includes additional local events set up by local officers. We have also completed home visits.
- Work has been ongoing regarding youths involved in anti-social behaviour and criminal damage in Burbage. This involves multi-agency work with Hinckley Council, social services and local schools. Multiple arrests have been made.
- Arrests have been made and conditions put in place with many of those identified. We have also completed many home visits which are supported by the tiered approach (warning letters, Anti-social behaviour contracts etc)
- Targeted overnight patrols where issues have been raised relating to crime and nitrous oxide use. This has led to arrests and vehicle seizures for offences such as drink drive and document issues. Work ongoing with local businesses.

## News

**Targeted patrols where we identified criminal opportunities. We completed patrols in multiple areas and engaged with residents to raise awareness.**

**Vehicle recovered from Grove Road following resident complaint (No Tax)**

- Multiple arrests made in relation to the recent reports of vehicle crime (mopeds/bikes) Currently under investigation and bail conditions in place.
- Results including Arrests and vehicles seized due to stop searches overnight by officer in Burbage. Offences include drink drive, no insurance and driving without seatbelts. Lots of good work by officers supporting with road safety.
- Community events attended such as the beat surgery at Tilton Road Cop where we spoke to many residents and supported with crime prevention items.
- Lots of work done including multi-agency meetings, home visits and other diversionary/safeguarding work completed to address recent anti-social behaviour.
- Community speed watch completed on Lutterworth Road, Hinckley Road and Featherston Drive.
- Communication/visits to local hotels to address recent spike in theft from vans. Support offered and discussions had as to how to reduce incidents of theft from vehicles at these locations.
- Patrols ongoing at locations such as Sketchy Meadows due to vehicle related anti-social behaviour.
- Work completed regarding complaints of drug use/dealing.
- Lots of events organised to support residents in September, from our crime prevention event to attending coffee mornings and allotment events.
- Ongoing pro-active work with individuals to reduce the risk of them being a victim of crime.
